Recent developments impacting the insurance sector and their clients

We are delighted to invite you to a webinar, which will provide you with a brief overview into the latest developments relevant to the insurance sector in several CEE countries.

The event will cover the following topics:

- **Serbia and Montenegro:** *Cyber insurance issues*

We will focus on the effect of cyber insurance coverage and provide answers to these questions - Did COVID-19 pandemic speed up and increase the demand for cyber insurance coverage? Which sectors are the most affected or most in demand? What can a law firm do for insurers and what for the insured? What are the necessary points to be included in the cyber risk insurance policy - for the insurer and for the insured?

- **Austria:** *Validity of electronic signatures in the insurance sales process*
- **Bulgaria:** *Trends in Bulgarian case law in the insurance sector*
- **Turkey:** *Alternative dispute resolution in Turkish insurance law*

We hope that you can attend, and we look forward to sharing our views with you.
