

Pharmaceutical Industry Committee 2-Year Program

- 1. PRIORITY (topic)** **Systematic allocation of National Health Insurance Fund (NHIF) funds for the introduction of medicines and medical devices every year**

Goal: Provide steady funding for medicines and medical devices while expanding the indications through a special-purpose transfer of budget funds to NHIF, thus compensating for the clear lack thereof in the financial plan of NHIF.

Proposed activity: Ensure open dialogue with all relevant stakeholders by preparing initiatives and meetings.

- 2. PRIORITY (topic)** **Tariffs harmonization**

Goal: Revise and harmonize PV tariffs based on the INN; reduce the amount of tariff for the documentation control for each imported series of a medicine.

Proposed activity: Deliver position paper to all relevant stakeholders.

- 3. PRIORITY (topic)** **Medicines, medical devices, health care and health insurance regulation**

Goal: Harmonization with EU directives and further necessary improvements in the pharma and health sector in order to support business development, growth and benefits for the patients

Proposed activity: Drafting proposals and initiatives, engagement with all relevant stakeholders

- 4. PRIORITY (topic)** **Participation in relevant stakeholder working groups**

Goal: Build strong impact to become referent organization

Proposed activity: Engage all relevant stakeholders in activity of FIC working groups
